

# RELAY HUMAN CLOUD

Relay is a proud member of **Yardi's Consultant Network**, empowering companies to access a skilled, global talent pool.

### Pain Points

- Finding talent to support your new or existing Yardi implementations can be difficult in today's job market.
- You may have trouble effectively navigating Yardi's robust ecosystem.

### Relay's Solutions

- Relay's Yardi-proficient professionals can be onboarded immediately.
- They'll execute daily accounting, bank reconciliation, data analysis, reporting, ad hoc problem-solving & much more.
- Relay leverages **Yardi Aspire** for training & continued learning.

### The Relay Advantage

- **On demand staffing.** We have a bench ready to start today!
- **Flat fee. No risk.** We handle payroll, benefits, office, equipment, taxes, etc.
- **Full-Time. Dedicated.** Your staff are NEVER shared with other businesses.
- **"Follow the Sun"**. When your organization operates across time zones, your productivity skyrockets.
